DETAILED ACTION

Allowable Subject Matter

1. Claims 2-20 allowed.

The following is a statement of reasons for the indication of allowable subject matter:

Prior art failed to establish an ESD protection of an input/output pad comprising a multi-finger MOS transistor comprising a source and gate regions connected to ground potential and drain region connected to power, an interdigitated diode having plurality of anode regions and cathode regions where each transistor region aligned with a corresponding diode region such that diode-anode regions are positioned close to source region and diode-cathode regions are close to drain regions where each transistor and diode regions form a localized parasitic controlled silicon controlled rectifier operable to distribute ESD current at low voltage.

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Fazli Erdem whose telephone number is (571) 272-1914. The examiner can normally be reached on M - F 8:00 - 5:00.
